Li-Ve TASMANIA

Supporting
you to li-ve
your best possible
life

Li-Ve Tasmania – providing genuine person-centred support to people living with disability in Tasmania for over 65 years.

We start with you

At Li-Ve Tasmania, the first thing we do is get to know you.

We ask how you like to spend your time, what your goals are, and what makes you unique. Then, we match you with a staff member we think you'll get along with.

“Li-Ve Tasmania helped me plan and save for my **first overseas holiday.**”

“My goal was to do a bit more walking outdoors. Now my support worker and I are doing our **second fun run.** I can't wait.”

“My daughter's learning simple things like **shopping for her own clothes** has made a huge difference to her life.”

“I do gardening for the Council two days a week. **I love my job.**”
