

# What's so special about The Zone?

# The Zone

Other places can be very structured: 'Bowling every Tuesday at nine, then art in the afternoon. Cooking first up Wednesday, then a movie....'

At the Zone, how you spend your time is totally up to you.\*

Sure, we can put together a timetable if you want one – but you don't have to slot into any pre-set programs.

You decide what you'd like to do and we help you make it happen.

You'll find The Zone at  
7 Acorn Drive, Warrane

**For more info, a tour or to

Moving from school to adult life is an important time. And if you're a young person living with disability, you may face extra challenges. There's a range of opportunities to help you make the transition.
