

	<p>COVID-19 is spreading in Australia</p>
	<p>If COVID-19 spreads to Tasmania there might be new rules</p>
	<p>Staff who support you might wear a mask</p>
	<p>People who visit you might wear a mask</p>
	<p>You can keep doing your usual activities, but that might change</p>
	<p>The rules will help keep everyone safe</p>

Staff who support you will tell you if the rules change

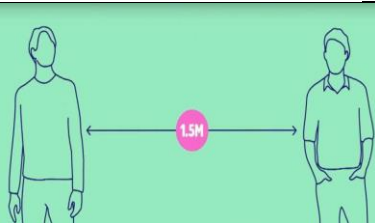

To stay safe, you should

Wash your hands, often

Stay away from sick people

Stay 1.5 metres away from people when you can

You can have a vaccine that can stop you from getting very sick from COVID-19

If you have questions, ask your support worker
